## Screenshot

The screenshot shows a news article from AFP. At the top, there's a navigation bar with the AFP logo, links for ACCUEIL, L'AGENCE, NOTRE OFFRE, NOS CONTENUS, and FACT-CHECKING, and buttons for NOUS CONTACTER, FR, Connexion, and a search icon. Below the navigation is a headline: "Caracas (AFP) | 22/02/2026 - 19:07:01 | Venezuela: plus de 200 prisonniers "politiques" entament une grève de la faim pour exiger leur libération (familles à l'AFP)" followed by a small square icon. The main image is a dynamic shot of a skier performing a high jump against a backdrop of snow-covered mountains under a cloudy sky. Below the image, the text "Découvrez nos contenus et services" is centered, followed by three smaller images: a laptop displaying a video player interface, a person's back looking at a large screen showing multiple video feeds, and a scene of police officers in riot gear using a metal barrier. At the bottom of the modal, there's a cookie consent message: "En cliquant sur « Autoriser tous les cookies », vous acceptez le stockage de cookies sur votre appareil pour améliorer la navigation sur le site, analyser son utilisation et contribuer à nos efforts de marketing." with links for "Paramètres des cookies" and "Autoriser tous les cookies", and a "Continuer sans accepter" link on the right.

... and 6 additional request(s).

## 7. Recommendations

1. Add a "Reject all" button at the first layer of the modal, requiring no more clicks than "Accept all" (CNIL 2022).

2. **Do not set any non-essential cookie before consent.** Gate the initialisation of third-party scripts on acceptance.
3. **Complete the modal information:** purposes, identity of sub-processors, retention period, right to withdraw.
4. **Remove or block non-essential cookies** after rejection, and verify consent handling server-side.

## Scan Errors and Warnings

-  No reject button found — could not test rejection flow

## Legal References
